

Volunteer at Kitt Peak National Observatory!

Apply Here

*We are looking for daytime
Docents to show visitors around one of the
largest collections of optical telescopes on the planet.*

Enjoy and share with the public the prestige, legacy, and ongoing cutting-edge research happening every day during our daytime programs.

- FREE daily shuttle service to and from our Headquarters in Tucson
- FREE meals while working on the mountain
- New Docent training class starts September 2024

The Kitt Peak Visitor Center is our guest's first stop on any visit and their springboard to informative daytime tours, nighttime stargazing and telescope viewing programs, as well as fascinating exhibits, a terrific gift shop, and beautiful panoramic mountaintop views!
